Spring Rally- June 6th to 10th

I would like to say that the Spring Traveling Rally was a great success due to some awesome weather that could have made a great difference with all the outside activities that we were involved in. With a great showing of members and some guests, Tobe and I felt that with our bit of pre-work we were quite happy with the results. Words cannot do justice for all that helped out with great attitudes, participating with the food situations and carpooling to ease the burden of seeing the planned sights. When Airstreamer's talk of Fun, Fellowship and Friends, this was above and beyond.

Always there will be some glitches that unexpectedly happen, but with a bit of effort and some laughs, we all get through it. Even the meeting up with the Cattle Drive, that left some attitude on our vehicles as we drove through. To all the members that missed this one we hope your attendance will be in the future.

Attending were Ron/Tobe Green; Tobias/ Avis Stapelton; Henry/ Rhoda Shovic; Michael/Teri Giau; Ray/Eglina (Eagle Woman) Schmitt; Freddie/Patti Spillman; Paul Nelson; Region 10 Pres. Adolph/Hazel Knopp from Calgary, Alberta, Canada; Non-members and guests, Wayne /LeaAnne Grote (Bozeman) and son Tim Green from Jerome, Idaho and his traveling Harley Bike.

Some of the roads traveled were a bit testy but all in all it was easy. The Happy Hours where some interesting tales are always told induced many laughs. Never a shortage of food with great ideas passed around.

During our stay at the American Legion RV Park in Wisdom, we met several guys traveling from Seattle to South Carolina and one from W. Virginia traveling to Seattle on BICYCLES. I (we) could not imagine the positive leg peddling attitude they had.

While traveling to our home destinations, a stop was had while in Three Forks, MT. alongside a roadside turn out and somehow Ice Cream was handed out. It was a good treat to ease the driving time. As we all separated and said goodbyes until a future time, members Knopps and Schmitts stayed over a couple of nights at our residence, prior to heading on to Huron, S.D. for the upcoming International Rally. Then the rains came!!!! We are hoping for a good turnout in Huron from Region 10 and a great time will be had by all attending.

Until next time, BE very safe, Alert as you travel and keep that RV Sunny Side UP...

Thanks again for all your help.....
