## PRESIDENTS CORNER

### From your Montana President April 2014

To our Montana Unit (061) and Alberta/ Saskatchewan Members

I want to start this letter by apologizing for not getting one done in March. Weather was a big factor with not much going on. With big wish for Spring to arrive after one weird winter that saw cold/warm/ COLD and off/on goofy forecasts, but we did get thru it- so far!

Now for a happier moment. Weather IS getting better and looking out and seeing a lonely AIRSTREAM looking back at me, we want to get dried out and get ready for some fun traveling soon. We do have to get a pre-tour of our Spring Rally, but we are waiting for places to start opening up so arrangements can be made for stops and overnight stays with site seeing places we are planning to see. We will get that info as soon as possible so your plans to attend can be made. I know June 2014 is a ways off but we need to get this done. We like the traveling Caravans so we do not have to do a lot of back tracking after seeing the planned sites. This works for those trips that do have a lot of miles and then have to travel back to our rigs for the 4 o'clock deadline for the famous HAPPY HOUR that awaits us each day and the meals we HAVE to have to keep us healthy!!

**By the way, THIS IS A BUDDY RALLY SO BRING UR FRIENDS WITH THEIR RV'S for a (FUN/FELLOWSHIP/ADVENTURE) with some fun luvin people.**

We are very happy to have Mike Giau back in Livingston after being in Nigeria for a new job. He is now back and has a new career at home. Welcome back Mike!

We are happy to hear and see all those coming back from the Warm ?? South and getting back to their homes. Safe travels to all.

Region 10 Rally in Astoria seems to be coming along well. We hope many members can attend this Fun Function after hours of hard work have been already done. Check out your BLUE BERET for more info on this and the upcoming International Rally in GILLETTE, WYOMING.

Until next time,

Ron Green –PREZ x 4

## Something Different

### "Lexophile"

"Lexophile" is a word used to describe those that love using words in rather unique ways, such as "you can tune a piano, but you can't tuna fish", or "to write with a broken pencil is pointless." A competition to see who can come up with the best one is held every year. This year's winning submission is posted at the very end.

- . When fish are in schools, they sometimes take debate.
- . A thief who stole a calendar got twelve months.
- . When the smog lifts in Los Angeles U.C.L.A.
- . The batteries were given out free of charge.
- . A dentist and a manicurist married. They fought tooth and nail.
- . A will is a dead giveaway.
- . With her marriage, she got a new name and a dress.
- . A boiled egg is hard to beat.
- . When you've seen one shopping Center you've seen a mall.
- . Police were called to a day care Center where a three-year-old was resisting a rest.
- . A bicycle can't stand alone; it is two tired.
- . When a clock is hungry it goes back four seconds.
- . The guy who fell onto an upholstery machine is now fully recovered.
- . He had a photographic memory which was never developed.
- . When she saw her first strands of grey hair she thought she'd dye.
- . Acupuncture is a jab well done. That's the point of it.

And the winner.....

- . Those who get too big for their pants will be exposed in the end.
