PRESIDENTS CORNER

From your Montana President May 2014

Welcome Spring to all our Members---

Here is hoping all had a great Wintering Experience and most of you are home now. Spring is definitely a welcome sight after all the different weather patterns we have encountered within Montana but now we really do want some nice weather so that the dewinterization process can begin with our Airstreams. Mine is nearly done so that is a good thing.

It was definitely a great surprise to see several Airstreamer's arrive in Bozeman for my BIG 80th bash. Thanks to all who attended. It was an unforgettable experience for sure. My neighbors loaned us a huge tent and with the help from many it was a lifesaver Had about 28 folks on a Friday (25th) attend and approximately 95 at the American Legion in Bozeman on Saturday (26th). Friends and family from British Columbia, Alberta, Canada; Idaho, Florida and yes Montana all were present. Thanks you all so much.

Tobe and I, finally found the time this past weekend to do a quick run for our Spring Rally that will start in Plains, MT. on the 4th of June. We will overnite at the Fairgrounds in Plains and begin our journey on June 5th to ROSS CEDAR FOREST PARK as we head toward Libby. We have a few "glitches" to endure during this traveling caravan. At Ross Cedar, we will have to unhook a couple of rigs from our Airstreams in a parking area and then travel to the cedars in a carpool. It is about 4 miles to our destination so will appreciate anyone to help out. This will be an hour or so to enjoy this area.

We will then depart (after hook up) to Libby where we will stay at The Two Bit RV Park. A detailed list of activities will be presented by Tobe, for particulars with our stops. The following day we will travel to Troy, MT and then to YAAK, MT. for an experience some may not have done before. The YAAK RIVER is a beautiful scene on our way to YAAK. After a bit of a tour we will head to Libby on a different route. We are trying to see the Libby Dam but it will determine if we go see it without trailers or find a place to unhook again to do the tour.

After a bit of sightseeing in Libby area we will proceed to Eureka and stop at the Fairgrounds (freebie) where we can do some touring of this small town. From there we will proceed towards Whitefish and maybe a stop at MacGregor Lake where Ray/Eglina live. Great viewing place for sure. We hope most can do the entire caravan with us but if you do have to leave early for work or other purposes, feel free to do so but hope most can continue with us. Some changes may have to take place but you all know who you are traveling with so be prepared to adjust... Surprized ????

Hope to see many of you that can attend so be safe on the way and" Let The Fun Begin".....LET US KNOW IF ATTENDING-- THANKS !!!

We will be having a meeting to discuss voting on items that are posted in The Blue Beret while in Libby.. We will discuss how many are attending the International Rally in Gillette, WY. and have a presentation on the Region 10 Rally in Astoria, Oregon by non-other than President of Region 10, Carol Ortiz, who is attending our Spring Caravan. Also a reminder that the Hands Across The Border Rally is being held in Great Falls, MT at the Fairgrounds over Labor Day Weekend. Anyone attending, please let us know concerning the aforementioned functions... Thanks again...
