PRESIDENTS CORNER

From your Montana President July 2014

Hi to all members

We returned home from our trip to Gillette Wyoming after attending the 57th International WBCCI Rally. We did have a great time and best of all was seeing many friends that for some is only once a year. We attended several seminars that were very interesting and went to banquets and seeing the change of the Guard from past Officers to the Installation of the new ones. We are seeing changes happening in the Club and for sure a much smaller attendance each year so that is not good. Several seminars, a Vintage Airstream Parade, and meetings held before the major part of members had arrived. We could not understand that part for sure.

Some of our newer members stated that anyone over the age of 70 should join their own "HERITAGE CLUB". I wonder who would do most of the volunteer work that is presently being done by our older members for the younger Club Members? We will wait and see how all this goes in our future.

Next year the International Rally will be held in Farmington, New Mexico under the direction of our new President, Joe Perryman and his staff. We did have 100 members sign up for early registration so that was good.

We are now getting ready to head out to Astoria, Oregon for the Region 10 Rally and that looks to be a good time with full attendance. We will see and enjoy many new sites and having a great time with friends and meeting some new ones.

Do not forget to let us know if you are attending the Hands Across The Border being held in Great Falls, Montana over the Labor Day week. The itinerary for this Rally is being sent out early so you can see the tours we have gathered for your enjoyment, AND see the New Officers Installed in Office for the next two years and my last year of being MT Unit President..

Until next time, safe travels, stay healthy and hope to see you soon.
