PRESIDENTS CORNER

Montana Unit Newsletter (061)
June 2015

Happy Summer Everyone!

I hope this newsletter finds you all well and out there enjoying your Airstreams.

I hear that it's extremely hot down in Farmington, New Mexico. However, it is not a whole lot cooler here in Montana right now. Drink a lot of water all of you Montana members attending International!

The Spring Rally in Anaconda was a lot of fun. We had eight trailers in attendance. Seven members and one buddy. It seemed to rain every evening just as we were preparing/eating dinner but that didn't damper any spirits. Several of our members were very creative with tarps and bungee cords so that we all could keep out of the rain.

We had a wonderful personalized tour of Anaconda on their Red Bus. We learned a lot about the history of Anaconda and were able to visit almost every point of interest. We also visited Lost Creek State Park & water fall, Southern Cross Ghost Town, Philipsburg and St. Timothy's church, which has a spectacular view of Georgetown Lake and the surrounding mountain ranges.

We also had two nights of entertainment. Friday night we had the pleasure of a musical performance by Emily Giao and Andy Doiron. They both performed some original songs and had everyone smiling. Saturday night Barbara and David Webb were our guest speakers. David, a Paleontologist, Geologist, gave us a talk about the local geology and brought samples of rocks and fossils from his collection. Barbara makes Native American drums and explained the process of drum making. Barbara brought several of her drums and had us all participate in a group drumming session. What a lot of fun that was.

A big thank you to everyone that attended the Spring Rally. Your smiles and helping hands were greatly appreciated.

That's all for now.
